SKILLS AND ACHIEVEMENTS

**Languages**

Kazakh (native)  
Russian (fluent)  
English (fluent)

**Digital Skills**

Confident user of various softwares: Rhinoceros with Laser Cutting, Autodesk Revit, Procreate, Adobe Indesign, Illustrator, Acrobat DC, Microsoft Office Word, Excel, PowerPoint

PROFESSIONAL EXPERIENCE

**Tim Greatrex Architects, The Oval, Hackney, London, E2 9DT** Jan 2022

Work Placement. Prepared a Revit Autodesk model of the office space, with the use of Lidar 3D scanner to remodel the office space, which will after be used in the bigger project of the renovation of Hackney City Farm (RIBA Stage 0).

**Co-Creation Workshop with Students from Imperial College** Nov 2021 + Feb 2022

An interdisciplinary between medical and architecture students, where we worked collaboratively on solving problems from various stakeholders in order to get a deeper understanding of the concept of co-production.

**Construction Site Diary, 80 Charlotte Street** Nov 2020- Jan 2021

Part of the Technical studies module. Exploring the onsite construction process of the commercial development on 80 Charlotte Street. A construction sequence drawing of the spiral staircase of the building was produced.

**Powell Dobson Architects, Wern Fawr Ln, St. Mellons, Cardiff CF3 5EA** Feb 2016- Mar 2016

School Work Experience. Had a task of designing a residential 3 bedroom house. Learned Revit Autodesk and completed a set of drawings including 3-d interior renders using the software.

**Analogue Skills**

Hand drawing, model-making (timber, card, plastic, plaster). Confident user of laser-cutting machines, casting equipment, woodworking and metal machinery, hand tools.

**Achievements**

Student Representative of Year 3 Architecture Students. Managing and responding to the needs and concerns of students.

Digital Fabrication Week (Dec 2019)

Laser cutting workshop, where I built two models of the Broadgate Exchange House by SOM Architects, which was presented in an exhibition, and the models got shortlisted.
